Amendments to the Specification:

Please amend the title of the application to read as follows:

"SYSTEM AND METHOD FOR ASSIGNING ORDERS TO WORKERS UTILIZING CONFIGURABLE CONSTRAINTS AND RULES"

Please amend the paragraph at page 4, lines 4-13, as follows:

In the following detailed description of exemplary embodiments of the invention, reference is made to the accompanying drawings, which form a part hereof, and in which are shown, by way of illustration, specific exemplary embodiments in which the invention may be practiced. These embodiments are described in sufficient detail to enable those skilled in the art to practice the invention. Other embodiments may be utilized and structural, logical, electrical, and other changes may be made without departing from the spirit or scope of the present invention. The following detailed description is, therefore, not to be taken in a limiting sense, and the scope of the present invention is defined only by the appended claims. ~~The present application incorporates by reference the following references:~~
